

Personal Loan Agreement

This sample contains repayment terms, dates, charges, default conditions, and financial risks for extraction and document-grounded Q&A; testing. It is not a loan offer or financial advice.

PRINCIPAL INR 5,00,000	INTEREST 9.50% fixed p.a.	TENURE 36 months	MONTHLY EMI INR 16,026
---------------------------	------------------------------	---------------------	---------------------------

LOAN DETAILS

Lender	Sunrise Finance Private Limited
Borrower	Arjun Mehta
Agreement date	10 October 2026
Disbursement date	15 October 2026
First instalment due	5 November 2026
Final scheduled due date	5 October 2029

1. Loan and disbursement

The Lender agrees to lend, and the Borrower agrees to borrow, a principal amount of INR 5,00,000. Subject to completed verification, the net proceeds will be transferred to the Borrower's registered bank account on 15 October 2026. A processing fee of INR 5,000 plus applicable taxes will be deducted before disbursement.

2. Interest calculation

Interest is charged at a fixed annual rate of 9.50% on the reducing principal balance. The rate remains fixed during the 36-month tenure unless a change is required by applicable law. Interest is calculated daily and applied monthly according to the repayment schedule.

3. Repayment obligation

The Borrower shall pay 36 monthly instalments of INR 16,026 each. Every instalment is due on or before the 5th day of each month through the repayment method registered with the Lender. The first instalment is due on 5 November 2026 and the final scheduled instalment is due on 5 October 2029. The final amount may vary slightly because of rounding or permitted adjustments.

4. Late payment and dishonour charges

If an instalment remains unpaid for more than 5 calendar days after its due date, a late-payment charge of INR 500 may be applied, subject to applicable law. A failed or dishonoured payment may also attract actual bank charges. Charges do not replace the obligation to pay the overdue instalment and accrued interest.

5. Prepayment

The Borrower may request partial or full prepayment after 6 completed instalments. A prepayment fee of 2% of the principal amount prepaid, plus applicable taxes, may apply. The Lender shall provide a written settlement statement showing principal, accrued interest, charges, and the payment deadline.

6. Events of default

An event of default occurs if the Borrower misses 2 consecutive instalments, provides materially false information, becomes insolvent, or materially breaches this Agreement and fails to cure the breach within 15 days after written notice. After default, the Lender may demand the outstanding balance, accrued interest, and lawful charges, subject to mandatory notice and consumer-protection requirements.

7. Borrower rights and statements

The Borrower may request an account statement, amortisation schedule, or payment receipt without charge through the Lender's registered support channel. Any disputed transaction should be reported within 30 days of the statement date. Reporting a dispute does not suspend undisputed payment obligations.

8. Credit reporting and privacy

The Lender may report accurate repayment information to authorised credit information companies and may process personal data for servicing, fraud prevention, regulatory compliance, and recovery as permitted by law. The Borrower must promptly update changes to address, phone number, email, or bank account.

9. Governing law and grievance process

This Agreement is governed by the laws of India. The Borrower should first submit a written complaint to the Lender's grievance officer. If unresolved within 30 days, the Borrower may use any regulator, ombudsman, court, or other remedy available under applicable law. Courts at Mumbai, Maharashtra have jurisdiction where legally permitted.

KEY PAYMENT CHECK

DUE EVERY MONTH On or before the 5th	GRACE BEFORE FEE 5 calendar days	DEFAULT TRIGGER 2 missed instalments
